

AUTOMATED VIRTUAL CARD REBOOKING

Unlock more bookings. Capture more savings. Stay fully automated.

Enabling automated rebooking for bookings paid with Conferma's secure single-use virtual credit cards.

WHY THIS MATTERS FOR TMCS

UNLOCK MORE SAVINGS

Conferma VCC hotel bookings can now be reshopped - unlocking additional savings opportunities.

FULLY AUTOMATED REBOOKING

When a lower rate is found, Oversee automatically rebooks and issues a new virtual card.

ENHANCED SECURITY & CONTROL

Single-use virtual cards. No exposed card data. Fully compliant process.

HIGH MARKET DEMAND

A critical requirement for major corporate clients.

WHAT'S LIVE TODAY

Automated rebooking for Conferma VCC bookings

New virtual card issued upon rebooking

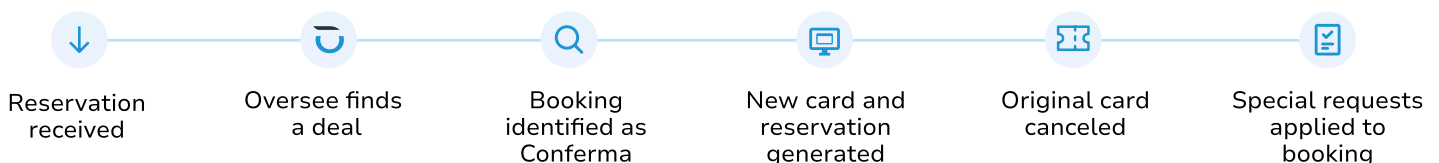

Original card automatically cancelled

Current GDS support

HOW IT WORKS

SIMPLE. AUTOMATED. SEAMLESS.

Automated reshop keeps you competitive.

Activate Conferma today.
